REGION 6 EXECUTIVE SUMMARY

TOPIC: Harbor Bridge Project, Corpus Christi, Texas
Environmental Impact Statement - National Environmental Policy Act (NEPA)

DATE: July 29, 2015

BACKGROUND:

FHWA and TXDOT propose to improve U.S. 181, Interstate Highway 37, and the Crosstown Expressway in the City of Corpus Christi, Nueces County, Texas. The project will extend from US 181 at Beach Avenue to SH 296 at Morgan Avenue. The proposed project length is approximately 3.0 to 4.8 miles depending on the proposed alternatives. The proposed improvements will address the structural deficiencies and navigational restrictions and improve safety, connectivity, and level of service in the area. EPA serves as a cooperating agency for this project.

CURRENT STATUS:

On March 18, 2014, Region 6 issued a detailed comment letter regarding the Harbor Bridge Draft Environmental Impact Statement (DEIS). The DEIS described and analyzed the potential effects from four alternative actions and the No Action alternative relating to land use, modes of transportation, public services and utilities, economic and employment conditions, community demographics and environmental justice, air quality, traffic noise, water resources, flood plains, soils and geology, vegetation and wildlife, threatened and endangered species, cultural resources, hazardous materials, and visual and aesthetic resources. The DEIS was rated as EC-2 based on environmental concerns and requests for additional information. Region 6 comments addressed environmental justice and impacted communities, solid and hazardous waste, mitigation of adverse effects, threatened and endangered species, coordination and consultation with Indian Tribes, children's health, and water resources.

On January 20, 2015, Region 6 issued a detailed comment letter regarding the Harbor Bridge Final Environmental Impact Statement (FEIS). EPA continued to have environmental concerns. Region 6 comments addressed environmental justice and impacted communities, mitigation of adverse effects, and other recommendations.

ENVIRONMENTAL and COMMUNITY CONCERNS:

Communities of particular concern are the Hillcrest and Washington-Coles neighborhoods. Regional staff from the NEPA, Air, Water, and Environmental Justice programs have provided information to the FHWA/TxDOT project team and have reviewed various reports, including the Environmental Justice Work plan. The EJ Work plan identifies methods to develop and implement community engagement and outreach. Many public participation meetings, conferences, and workshops with the communities have been held to hear and mitigate concerns related to the project. A summary of the environmental concerns for Environmental Justice and Impacted Communities are: indirect and cumulative air quality and noise impacts to Northside and Refinery Row Communities; direct air quality impacts to Northside Community; and displacement impacts to Northside Community. There are additional concerns regarding mitigation of adverse effects to Environmental Justice and Impacted Communities, community cohesion and access, cultural resources, visual and aesthetic impacts, wildlife habitat, and noise. On or around March 5, 2015, a Complaint under Title VI of Civil Rights Act of 1964 was filed.

NEXT STEPS:

FHWA and TXDOT will file a Record of Decision after reviewing and addressing comments from EPA, other agencies, and the public.

CONTACTS: Kimeka Price, NEPA Project Manager, 214.665.7438
Michael Jansky, Acting Chief, Office of Planning & Coordination, 214.665.7451

EPA has been in communication with HUD. Also, HUD has a connection to this project, a part of a federal agency partnership, and participated in the Livability Summit on last week. HUD would like to participate in the conference call scheduled on tomorrow, Wednesday, October 22, 2014 at 10 am. EPA does not have any objections. Please let me know by 5:30 pm today if there are any questions or comments.

Please find below the proposed meeting agenda for the meeting with TXDOT and FHWA on Wednesday, October 22, 2014 at 10 am:

- I. Welcome and Introductions
- II. Purpose of the Conference Call
- III. Update on Sustainability Planning
 - a. Response by TxDOT/FHWA to OEJ's Livability-NEPA-EJ Chart
 - b. Outcomes from Corpus Christi Livability Summit
 - c. Details, Elements, Status, Remaining Steps and Roles for Sustainability Plan for Corpus Christi and communities in affected environment of proposed project (e.g. Northside)
- IV. Follow-up Sustainability Measures
 - a. Workshop for Communities in affected environment of proposed project (e.g. Northside)
 - b. Implementation of sustainability plan and accountability/commitment to implement in the FEIS and/or ROD
- V. Next Steps
- VI. Adjourn

Subject: RE: Harbor Bridge Project - Meeting with TXDOT and FHWA

Hello Kimeka,

I wanted to see if the EPA would be available for an update call with TxDOT next Wednesday. This update will be to answer questions on the distribution of the materials for the Livability Summit and some of the items currently being prepared for the neighborhood sustainability plan. FHWA and TxDOT met this week in preparation of the Livability Summit and to discuss the particulars for preparation of the neighborhood sustainability plan. We discussed the benefits of having a meeting with EPA after the summit to discuss the outcome, community feel and action items identified during the open forum. We were looking at our schedules and it looks like FHWA and TxDOT are available on October 22nd from 10:00 a.m. To 12:00 p.m. If that date and time works for EPA folks I can set something up and create an rough agenda. Have a great weekend.

Christopher Amy

Hello Kimeka,

I will call you first thing in the morning. I was in a meeting this afternoon when you called. I think Thursday afternoon would still work best for everyone's schedule at FHWA and TxDOT. We can discuss the best time or if there is another day that is better. Thank you.

Sincerely,

Christopher Amy

Chris,

I would like to incorporate the Agency's comments and recommendations into your draft documents, however, the version I received was a .pdf document and cannot be edited. Could you send me the draft documents is a word (or similar product) version?

Hillcrest and Washington-Coles Sustainability Planning Process

Community Workshop 1:

Attendees: Hillcrest HOA, TxDOT, FHWA

MEETING CONTENT

- 1) Sustainability Planning
 - a) What is Sustainability?
 - b) Partnership for Sustainable Communities
 - i) Partnering Agencies
 - ii) Livability Principles
 - c) Corpus Christi Livability Summit - Summary/Outcome
 - i) City-wide Planning Initiatives
 - (1) Plan CC 2035
 - (2) Mobility CC
 - (3) R/UDAT
 - (4) Integrated Community Sustainability Plan
 - (5) Harbor Bridge Replacement
 - ii) Grant and Funding Opportunities (provide relatable examples)
 - (1) FHWA/FTA
 - (2) HUD – PROMISE program
 - (3) USDOT
 - (4) EPA – brownfields, water quality
 - (5) Workforce Training – job fair
 - iii) Results from Work Session
 - (1) Priorities by Participant Classification
 - (2) Overall Priorities
 - d) TxDOT's commitment for the Harbor Bridge Project
 - i) Livability Principles matrix of TxDOT-funded commitments
 - (1) Recreational Enhancements
 - (2) Hike and Bike Trail
 - (3) Roadway Improvements
 - (4) Shared Use Path – connectivity to northside parks and North Beach
 - (5) Historical Record
 - (6) Jobs Fair/Workforce Support
 - (7) Noise Abatement
 - (8) ROW Relocation
 - (9) Sustainability Plan - work closely with the community to help them develop their plan so that they have the necessary tools to champion sustainability, build relationships with federal agencies and obtain funding
 - (a) Provide Process Diagram
- 2) Hillcrest and Washington-Coles Neighborhoods – Sustainability Planning
 - a) Mission (community driven; present word cloud of terms for brainstorming)
 - b) Goal setting (community driven; suggest adopting Livability Principles)

- c) Community-identified Needs/Actions (start with identified TxDOT commitments; highlight EPA's Environmental Justice/Sustainability circle diagram; all community input welcome; break into groups of 3-4 people/present thoughts to all)
 - d) Initiate prioritization (dot exercise like Livability Summit)
 - 3) Sustainability Plan - Next Steps
 - a) Summarize Existing Conditions, Culture, History (TxDOT with community input)
 - b) Establish Priorities (community with TxDOT facilitating)
 - c) Identify Grant Opportunities (all agencies)
 - d) Establish Near/Mid/Long-Term Recommendations (community with input from agencies)
 - e) Develop Spreadsheet of Actions/Implementation Methods (TxDOT to compile)
 - f) Draft Plan (TxDOT to deliver to community for approval)
 - g) Final Plan Adoption (TxDOT to deliver to community for adoption)
-

Partnering Agencies Workshop 1:

MEETING CONTENT

- 1) Review Mission and Goals
 - 2) Review resulting community needs/actions
 - a. Agree upon categorization of list
 - b. Discuss prioritization input
 - 3) Identify grant/funding opportunities of each agency
 - a. Each agency to identify relatable examples for community understanding
 - i. Description
 - ii. Funding amount
 - iii. Process
 - iv. Schedule
-

Community Workshop 2:

Attendees: Hillcrest HOA, TxDOT, partnering agencies

MEETING CONTENT

- 1) Confirm Mission and Goals (large scale prints for group markup)
- 2) Existing Conditions, Culture, History Update
 - a. Present bulleted notes of content (outline – powerpoint slide and handout)
 - b. Ask if additional content should be included
- 3) Review Needs/Actions List (categorized lists; large scale prints for group markups/powerpoint slide)
 - a. Discuss grant opportunities by example
 - b. Identify actions that may be supported within the community
 - c. Confirm priorities
- 4) Identify near/mid/long-term recommendations (break into groups of 3-4 people/present thoughts to all)

Partnering Agencies Workshop 2:

MEETING CONTENT

- 1) Review Spreadsheet of Actions/Implementation Methods
 - 2) Identify recommendations/alternatives where community needs/actions may not exactly align with agency capabilities
 - 3) Draft text review of Existing Conditions, Culture, History sections
-

Community Workshop 3:

Attendees: Hillcrest HOA, TxDOT, partnering agencies

MEETING CONTENT

- 1) Present Spreadsheet of Actions/Implementation Methods (hard copy; group review)
 - a. Walk through list with community to confirm their desires
 - b. Address partnering agency recommendations for success
 - 2) Present draft text of Existing Conditions, Culture, History sections (request participants to contact TxDOT with questions/input by a deadline)
-

Final Actions:

Complete and deliver Final Sustainability Plan

Hello Kimeka,

I will call you first thing in the morning. I was in a meeting this afternoon when you called. I think Thursday afternoon would still work best for everyone's schedule at FHWA and TxDOT. We can discuss the best time or if there is another day that is better. Thank you.

Sincerely,

Christopher Amy

Subject: FW: Harbor Bridge Sustainability Workshop Materials

Good afternoon folks,

Included in this email are draft discussion materials and the mail out flyer for the Sustainability Workshop scheduled for next Thursday, January 29th. The attachments included are:

- Draft presentation of topic discussion point slides to be presented at the Sustainability Workshop;
- Draft topic discussion questions for the interactive community "round table" exercise;
- Mail out flyer sent to the Citizen's Advisory Committee (CAC), and the residents of the Northside Neighborhoods (Hillcrest & Washington Coles).

If you have any questions regarding the information provided please give me a call or send me an email. Please have any comments on presentation/discussion materials by close of business on Monday, January 26th.

Sincerely,

Christopher Amy

Good afternoon folks,

Included in this email are draft discussion materials and the mail out flyer for the Sustainability Workshop scheduled for next Thursday, January 29th. The attachments included are:

- Draft presentation of topic discussion point slides to be presented at the Sustainability Workshop;
- Draft topic discussion questions for the interactive community "round table" exercise;
- Mail out flyer sent to the Citizen's Advisory Committee (CAC), and the residents of the Northside Neighborhoods (Hillcrest & Washington Coles).

If you have any questions regarding the information provided please give me a call or send me an email. Please have any comments on presentation/discussion materials by close of business on Monday, January 26th.

Sincerely,

Christopher Amy

Subject: RE: U.S. 181 Harbor Bridge Project DEIS - Associate Review by RCRA Program

Thank you Kimeka!

I scanned the DEIS for the Harbor Bridge Project in Nueces County, Texas. This project will remove seven bridges and improve US 181 along the Corpus Christi business district and across the Nueces Bay ship channel. I was a bit frustrated because the document does not clearly identify the types of waste to be generated or specifically how the environment will be protected.

I reviewed your draft language for Hazardous/Solid Waste and find it excellent. Your recommended language captures the concern of EPA for the applicant to accurately estimate the type and quantity of waste and how that waste will be treated or disposed, to mitigate any impact on the environment.

Finally, though my review is limited to impacts under RCRA, I believe this project may have concerns under the CWA.

Please call on me if I can provide further information.

Nick

Subject: U.S. 181 Harbor Bridge Project DEIS - Associate Review by RCRA Program

REQUEST FOR ASSOCIATE REVIEW AND COMMENT PURSUANT TO RESPONSIBILITIES UNDER SECTION 309 OF THE CLEAN AIR ACT AND THE NATIONAL ENVIRONMENTAL POLICY ACT (NEPA) ON THE SUBJECT DRAFT ENVIRONMENTAL IMPACT STATEMENT (DEIS) FOR HARBOR BRIDGE PROJECT/US 181 IMPROVEMENTS FROM BEACH AVENUE TO MORGAN AVENUE AT THE CROSSTOWN EXPRESSWAY, NUECES COUNTY, TEXAS.

Please perform an associate review in regards to your area of jurisdiction and expertise for the subject Draft Environmental Impact Statement. We are looking for information as to the adequacy of their conclusions and the extent and magnitude of impacts. If possible, please provide comments or a "no comment" response via email to me by close of business on February 12, 2014. The DEIS can be accessed at <http://ccharborbridgeproject.com/eis/>.

If review of this document cannot be completed or delayed due to resource limitations, please e-mail me as soon as possible.

Also, as a follow-up to our conversation, please evaluate the following the language:

Hazardous Material and Hazardous/Solid Waste

The DEIS discusses the construction . . . , along with . . . under the proposed project's alternatives. The DEIS does not identify any impacts associated with hazardous material and/or hazardous or solid waste potentially produced by these activities.

Recommendation:

The FEIS should address the potential direct, indirect, and cumulative impacts of solid and hazardous waste from the The document should identify projected solid and hazardous waste types and volumes, and expected storage, disposal, and management plans. The FEIS should address the applicability of state and federal requirements. Appropriate mitigation should be evaluated, including measures to minimize the generation of hazardous waste (i.e., hazardous waste minimization).

If you have any questions, please let me know. Thanks in advance.

Hey Craig:

This email string contains everything that I know about the EPA OEJ requested meeting with Shoshana Lew, Deputy Assistant Secretary, Office of the Under Secretary for Transportation Policy. See Matt's originating email for regarding the objective the subject meeting. The meeting is scheduled for 2pm -3pm (CST) on Nov. 16. I had previously sent Matt a request to have EPA R-6 participate in this discussion. I haven't received any response.

I hope EPA R-6 can participate.

Let me know if you need additional information.

Subject: RE: FHWA/EPA/HUD meeting on Corpus Christi

Matthew

Those days work for me. Let me ask Dana to coordinate with others and see if we can finalize a time for one of those two days. If you don't mind coming here, my preference would be at DOT as it will be easier to include others that should participate

If we don't connect before, have a good Thanksgiving.

Dana

Please see if you can finalize a date and time. We will also need a conference room and conference line. Participants should include the following:

HEPE Harold Peaks, Owen Lindauer

TX Div. Al Alonzi, Greg Punske

HEPH Shari Schaftlein, Shana Baker

Thank you.

Hey Gerry

Could we shoot for something on the afternoon of the 16th or 17th? I'm happy to host if you'd like, though it's never a problem to come back over to DOT and since you all would likely have more people attending might be more convenient.

Thanks,

M

Matthew

Thank you for your email (no problem with Greg / Gerry – Greg is my son's name). I am open to tentatively scheduling something in mid-December. I do want to ensure that those who need be involved are available. This includes my office (Harold Peaks and Owen Lindauer), our Office of Human Environment (Shari Schaftlein and maybe others), and our TX Division (Greg Punske and Al Alonzi). I also want to confirm that the meeting follow release of the FEIS so you will first have an opportunity to see how comments were addressed. Please let me know what dates/times work for you and I will coordinate with others.

Hey Greg

Sorry for the delay in responding – seems like everyone is trying to squeeze meetings into this week for some reason!

Absolutely agree that a meeting after review of these docs and the draft FEIS would be a good idea, as well as opening up the conversation somewhat. Could we perhaps go ahead and get something on the books for mid-December so we don't get squeezed out?

Best,

Matthew

Matthew

As a follow up to our meeting of November 4, you should have received an email from Greg Punske of our TX Division that included the following documents, together with other information to address issues discussed:

1. HUD Comments on Harbor Bridge DEIS Dated 3/18/2014
2. TxDOT/FHWA Response To HUD Comments Date 8/18/2014
3. TxDOT/FHWA PPT Presentation for 8/19/2014 meeting
4. HUD 8/19/2014 Meeting Summary
5. TxDOT Memo to Britton RE Noise Impacts to D.N. Leathers Dated 9/24/2014
6. Email Britton to TxDOT Dated 10/21/2014
7. Email Punske to Ferroni/TxDOT requesting assessment of HUD noise calculation dated 11/13/2014

I am open to participating in further discussions both relative to collaborative efforts in support of the HUD, EPA, DOT partnership to address concerns in and around Corpus Christi. I suggest that these discussions also include participation from our office of Human Environment. I am also available to discuss concerns with respect to the Harbor Bridge Project though suggest that follow up discussions occur after you have an opportunity to review the information provided by Greg and the FEIS anticipated to be released shortly. As discussed, this project will not utilize a combined FEIS/ROD and will have a period of time between release of the FEIS and the ROD to discuss any remaining concerns that are associated with the project.

Thank you .

Hey Gerald,

Hope you are well. I just wanted to follow up about pulling the groups together again with some expanded participation to discuss the Harbor Bridge project in Corpus Christi. I was reminded of this yesterday when I finally had the chance to meet Shoshana Lew in person at our senior level meeting of the EJ IWG here at EPA. I had visited with Shoshana about the project several months ago and think it'd be great if we could loop her in as well.

If you need some help facilitating setting the meeting up or hosting, just let me know. We'll be happy to help.

Best,

Matthew

Hey Greg

Thanks for the email and I get where you are coming from on this. Skeo also reached back out to us today with the thought that this is a pretty big undertaking and that they would like to bring on someone else to be a more pure facilitator. I am in Alabama all day tomorrow but will get back on this as soon as I get back on Wednesday. More to come, but always trying to balance I think the shared interest between all of us in getting this done right but also getting this done now.

Subject: RE: OEJ TD for Harbor Bridge project

Matt and Sheila:

Thank you for scheduling today's interview with SKEO Solutions for the facilitation of the Neighborhood Sustainability Workshop planned for mid-January 2015. Based on the discussions that took place during the interview, FHWA and TxDOT have concerns with the proposed facilitator. As discussed during the interview, TxDOT has spent considerable time and effort in developing trust with the residents and leaders in the Hillcrest/Washington-Coles neighborhood. In their decade-long relationship building process with the community, TxDOT has committed to listening to the neighborhood and developing a neighborhood specific sustainability plan. We are most concerned about the proposed facilitator's preconceived ideas and statements about regarding what the Hillcrest/Washington-Coles neighborhood wants in a sustainability plan. While we understand that the SKEO has some experience working in the Houston area, based what we heard this morning, we do not believe that the proposed facilitator would be able to approach this project with the objectivity needed for this process to succeed for the Hillcrest/Washington-Coles neighborhood. Given these concerns, FHWA and TxDOT believe that communities would be better served by a neutral facilitator who would be more objective in listening to the concerns, needs and vision of the Hillcrest/Washington-Coles neighborhood. We understand that SKEO Solutions has a list of qualified facilitators that could help us out on this important project, and we are hopeful that we could find an objective facilitator suited to the needs of the neighborhood and this process.

We look forward to hearing from you regarding our concerns.

Subject: FHWA/EPA/HUD meeting on Corpus Christi

Hey Gerald,

Hope you are well. I just wanted to follow up about pulling the groups together again with some expanded participation to discuss the Harbor Bridge project in Corpus Christi. I was reminded of this yesterday when I finally had the chance to meet Shoshana Lew in person at our senior level meeting of the EJ IWG here at EPA. I had visited with Shoshana about the project several months ago and think it'd be great if we could loop her in as well.

If you need some help facilitating setting the meeting up or hosting, just let me know. We'll be happy to help.

Best,

Matthew

Great! I would like to follow up with a phone call review the meeting Objective/agenda; then forward them onto TxDOT and the rest of the meeting participants.

Thanks
greg

Subject: Nov 6 Harbor Bridge Meeting confirmation
Importance: High

Hello Craig:

I want to confirm our Harbor Bridge Sustainability Workshop planning meeting schedule for tomorrow, Thursday Nov. 6 from 1pm -3pm. Albert and I have travel orders prepared to make the trip to Dallas. The TxDOT Harbor Bridge Project Manager, Chris Amy will travel from Corpus Christi and will accompany us on the trip to Dallas. Doug Booher will not be able to attend the face-to-face meeting as I had previously indicated.

Based on our last conversation, it was my understanding that EPA R-6 would reserve a meeting room for 8 -10 folks at EPA's Office and provide a conference call number for EPA EJ, HUD HQ, FHWA HQ and TxDOT ENV staff. Please verify that this is the plan.

Shown below is the list of meeting participants:

EPA Office Participants

EPA

Craig Weeks EPA R-6 NEPA Section Chief
Kimeka Price – EPA R-6 Environmental Engineer/Project Manager
Israel Anderson – EPA R-6 Associate Director for EJ

HUD

Barbara Britton, HUD R-6

FHWA

Albert Hinojosa – Area Engineer/Harbor Bridge Project Manager
Greg Punske – District Engineer

TxDOT

Chris Amy – TxDOT Harbor Bridge Project Manager

Participants Via Conference Call

EPA

Suzi Ruhl, EPA EJ HQ
Mathew Tahada, EPA EJ HQ

HUD

James Potter HUD Community Planner HQ

FHWA

Harold Peaks – FHWA HQ ENV Team Leader
Owen Lindauer – FHWA HQ Environmental Specialist

TxDOT

Carlos Swonke – TxDOT ENV Director
Sonya Hernadex – TxDOT Environmental Specialist
Nicolle Kord - TxDOT Environmental Specialist
Consultant - HNTB

I would like to confirm the object and agenda for the meeting is as follows:

Objective: Prepare for a Northside Community Workshop to be held in early December or Mid-January 2015

Meeting Agenda:

- Facilitation for Community Workshop
- Workshop Location
- Outreach and invitations
- EPA HQ EJ Division Commitment of Resource for the Workshop
- Schedule for Northside Community Workshop
- Review status of TxDOT/FHWA Hillcrest Homeowners Association Sustainability Plan

Please reply to this email to confirm our meeting tomorrow. If I don't hear from you by noon, Albert and I will cancel our travel orders for the Dallas and plan to reschedule meeting.

Thanks

greg

Subject: Declined: Harbor Bridge Project - Bi-weekly Meeting with EPA, TXDOT, FHWA, and HUD
When: Thursday, February 05, 2015 12:00 PM-1:00 PM (UTC-06:00) Central Time (US & Canada).
Where: R6-ConfRm-HoustonToad-09B02/R6---09th-Floor

Hello Kimeka,

Would it be possible to have the meeting on Thursday at 1:00 p.m. Central time (2:00 Eastern)? I have a conflict during my lunch hour and will not be able to make the entire call that day. Thank you for your consideration.

Christopher Amy
Environmental Coordinator/Biologist
Corpus Christi District Office
Texas Department of Transportation
